Sharing the Truth  
about Jesus  
throughout the World

**2015** YEAR in REVIEW

## FROM OUR PRESIDENT

*“Then you will know the truth, and the truth will set you free” JOHN 8:32, NIV*

In 2015, Jesus Online Ministries reached almost 7.5 million people from 241 countries and territories with the truth and grace of Jesus Christ. Many have told us how they discovered new faith in Jesus as they watched a video or read an article. Thousands have discovered how Jesus is the only hope in a darkening world. Nicholas from Kenya writes of his new hope in Christ,

*“I feel changed in my life and thoughts. I have hope in my life. Thank you Jesus.”*

In this report, you will read many amazing comments from people like Nicholas, whose lives have been changed by discovering the truth and grace of Jesus Christ. Some of them have taken the time to respond to a website survey, indicating the following decisions:

- 38,639 first time decisions for Christ
- 24,853 rededications to Christ

Like many others, Gregory of Zambia writes that his faith in Christ was strengthened.

*“Jesusonline has deepened my faith in Christ Jesus. When I opened Jesusonline, it made me feel like a new creation. I thank God for this, I believe somebody out there will change as they read this word of life. Continue doing this.”*

Think of it! Through the Internet, we are the first generation granted this amazing opportunity of reaching virtually every country in the world for Christ! Millions of people like Nicholas and Gregory are looking for answers that only Jesus Christ offers. As you will see on page 4 of this report, with adequate funding, we could reach as many as 30 million more people in 2016!

*“Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen.” Ephesians 3:20-21!*

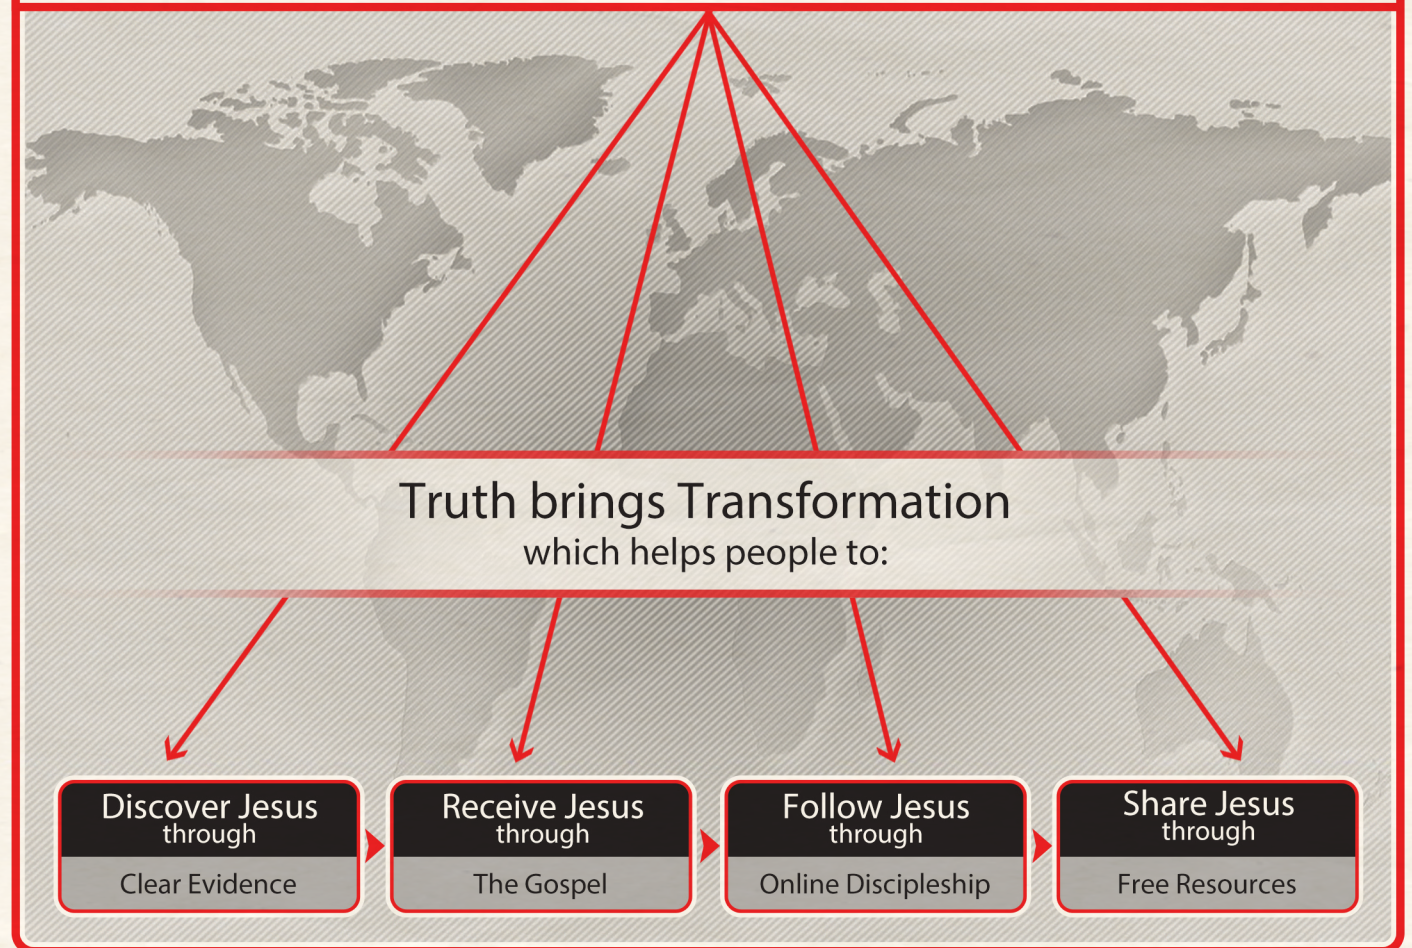

So that all may hear,

Larry Chapman  
Founder and President

JesusOnline Ministries uses Internet technologies to help people throughout the world discover who Jesus is, trust Him as Lord and Savior, follow Him wholeheartedly, and share Him with others.

*“Every day...they continued teaching the people and telling the Good News—that Jesus is the Christ.” (Acts 5:42, NCV)*

One part of our mission at JesusOnline Ministries is to help people discover Jesus Christ. However, enemies of Jesus are attacking both His reality and deity. These attacks come from many sources including skeptical college professors, books, documentaries, Muslims, cults, and even billboards from American Atheists.

**Millions of people are looking for answers about Jesus on the Internet.** JesusOnline provides compelling evidence which demonstrates His reality, His deity and the truth of His resurrection.

Michael from Laguna Beach tells us how he discovered the truth about Jesus’ resurrection.

*“Prior to reading this article, I had been completely unaware that there was historical proof (and lots of it) that Jesus Christ had truly risen from the dead. I have never been a religious person (more of an agnostic than anything else) and had always wondered how Christianity has managed to prevail for over 2000 years. Now I know!”*

Zebadja discovered the real Jesus while reading our French language Y-Jesus website. He writes,

*“After listening to Muslims and Jehovah’s Witnesses, talking about Jesus, I was really confused. I believe in Jesus but with so many options, I wondered who He really was (prophet, son of God, religious leader or God?) After having read this text, I can shout out loud that Jesus is God.”*

Rainer’s questions about Jesus were answered on our German language website. Rainer wrote,

*“I have waited for this page for a long time. I’ve always had problems with Jesus. Now I’m determined to give Him my life. Thanks for Y-Jesus German.”*

**In 2015, 821,317 seekers of the real Jesus completed 5,000-word articles about Him in 16 different languages! Many discovered Jesus for the first time, while others discovered increased faith in Him.**

#### **PORFIRIO, MEXICO**

Today more than ever I’m convinced that Jesus Christ is with me.”*

*"Through Christ, God made peace between us and himself, and God gave us the work of telling everyone about the peace we can have with him." (2 Corinthians 5:18, NCV)*

Once people understand who Jesus really is, we link them to a gospel article that explains how they can know Him personally and receive forgiveness of sin. Although several articles and videos explain how Jesus is the only way to God, there are two primary ways the gospel is communicated:

**1. A video gospel presentation clearly lays out God's Plan of Salvation**

A CALM URGENCY

I don't know about you, but as I look at my shortening life expectancy and the events around the world, increasingly, I want to utilize my time and money in the most effective and efficient means possible. There is no reason to be anxious, but the phrase that keeps coming back repeatedly, is "calm urgency." To calmly, faithfully and consistently be moving forward in what God has called us to do, without getting sidetracked.

We live in uncertain times, but in a time in history with unprecedented opportunities to safely tell people around the world about Jesus via the Internet at very low costs.

One of our ministry partners refers to this as being an "armchair evangelist." While there is no substitute, nor excuse for not sharing our faith face to face, mobile communication devices now allow us to complement personal witnessing and traditional missions work with ministry online. And, to do it in many increasingly unsafe regions of the world.

At JesusOnline Ministries, we are very serious about keeping costs low and utilizing your investments as wisely as possible. We want to squeeze every bit out of each dollar you invest with our ministry, in order to give you the highest return possible on your investment in this Kingdom work.

Your investment continues to be very cost efficient, as the cost per visitor to our sites remains less than 10 cents, and the effectiveness continues to be seen in changed lives!

Thank you for your continued prayer and financial investments in global outreach via JesusOnline Ministries! We consider it a privilege to partner with you! If you have any questions or comments, feel free to contact us at [Contact@JesusOnline.com](mailto:Contact@JesusOnline.com).

Praying with you for the coming revival,
