

*Sharing Jesus in Today's World.*

## Bringing the Love of Christ to the Hopeless

Greetings!

Your zeal for people around the world — your passion to share Jesus with them — has made a life-changing difference for one young man in Ethiopia, Moges.

Moges was lost in a world that tells us that our lives have no meaning. The enemy had isolated Moges, and made him feel alone.

**But you were there to help interrupt his confusion** — and because you support our ministry, you gave him a hope through a simple internet search. ***The Holy Spirit met Moges.***

***Moges received the gospel presentation and committed his life to Christ!!!***

Here is what Moges has to say...

***"I was thinking to kill my life. I was in depression and stress and I think I'm alone and everybody hate me but Jesus told me if you're alone, I am with you. If anyone doesn't love you, I love you and he be my friend and my father. I can't describe his love to me."***

Thank you for partnering with JesusOnline, so Moges now has an eternal home.

This is why you give to JesusOnline: because people from all over the world who are lost, just like Moges are searching and seeking for purpose and direction in their lives. And you can introduce them to Jesus.

**Amazingly, for every dollar spent on advertising about 30 people will visit our websites, and one of them will indicate a decision to follow Christ. By God's grace, this is a cost-effective way to make a life-changing and eternally significant impact on a person just like Moges.**

I believe there is no better investment than reaching people from all over the world with the truth about their Savior. It is indeed, our great commission.

Please pray for the visitors on our websites, currently there are about **5,000 people every day** that are sharing with us that they have indicated a decision for Christ. Please also give generously as God leads you, to provide someone the opportunity to find Jesus online today.

Rejoicing in all God has done,

Helmut Teichert  
Executive Director
