

JESUS ONLINE

MINISTRIES

Ignatius from Zambia was lost, without hope, and didn't think he had any reason to live...

"This website has helped me. I went to the kitchen when everyone was asleep so I could commit suicide because I lost my business."

BUT then, the **Holy Spirit** met Ignatius through a JesusOnline Ministries website and offered him new life and **HOPE**....

"When I got to the kitchen, I looked at my phone and I saw this site and God saved me. Pray for me."

Amazingly 120,255 people committed their lives to Christ during Easter week!

During the Easter season, people from all over the world were searching for answers to difficult questions. JesusOnline was there to meet them with **TRUTH**.

God graciously gave JesusOnline Ministries our biggest Easter outreach ever.

Here are the outreach results for March and April:

- 6,452,958 website visits to 21 websites from 230 countries and territories
- **465,753 people committed their lives to Christ**
 - 269,426 decided to receive Him as Lord and Savior
 - 196,327 rededicated their lives to Him
- 42,878 new people accessing the [JO Discipleship App](#)
- 1,773 email comments received

The daily average of 100,000 website visits resulted in about 7,700 people per day indicating a decision to follow Jesus.

We receive thousands of testimonies every month from people who have gained a deeper understanding of who Jesus is and how to have a personal relationship with Him.

Please prayerfully consider giving a summer gift in order to continue this tremendous spiritual harvest. Thank you.
