A Message from Executive Director

Helmut Teichert

This impact report describes the power of God’s Holy Spirit to change lives. These email testimonials are only a few of the thousands we receive monthly.

Kendra, a resident of Antigua, known for its beautiful beaches, had questions that kept her from committing to Christ. This prompted her to click on one of our mobile ads.

Kendra wrote us,

“I am a lost soul afraid to become a true Christian. But reading this article makes me want to move forward because it cleared so many questions that I’ve been asking for so many years that now I want to be freed.”

Like Kendra, people everywhere need the hope and peace that only Jesus can provide. In this Impact Report, we share the incredible things God did through JesusOnline Ministries in 2023.

We are asking God to help us reach one billion people for Christ by 2030. As of 2023, we have achieved about 25% of this goal. **We are inviting you to be a part of this mission.**

By partnering with JesusOnline Ministries, you can make an eternal difference in many lives. Help fulfill Jesus’ Great Commission by sharing His hope, love, and forgiveness with people worldwide!

People That Indicated Their Decision to Follow Jesus

Sharing Jesus in Lands Hostile to the Gospel

Many countries prohibit Christian missionaries or open proclamation of the Gospel. In 2023, JesusOnline shared the truth and grace of Jesus Christ with over 3,527,333 people in these countries alone!

Youcef from Algeria explains how he discovered the truth about Jesus through JOM's website.

“Now I have evidence that Jesus died on the cross and three days later He resurrected from death. In spite of what I was taught as a Muslim – that Jesus never died on the Cross – today I feel free on discovering the reality about the Christ thanks to so wonderful scholars. Life without Jesus is not worth living.”

Youcef, Algeria

Reaching into Hostile Lands

Reaching people in nations that are hostile to the Gospel is challenging, but on the Internet people are discovering the truth about Jesus in the privacy and security of their homes.

Egypt

- **1,230,509** people reached
- 90% Muslim — widespread discrimination against Christ

Morocco

- **504,968** people reached
- 99% Muslim — widespread discrimination and attempts to convert Christians

Nigeria

- **370,309** people reached
- 52% Muslim — most Christian martyrs — mostly in the north

Cambodia

- **285,694** people reached
- 97% Buddhist — Christian pastors killed in past genocide

Turkey

- **207,975** people reached
- 99% Muslim — only .2% of Turkey is Christian, and they are not allowed to evangelize

Making Disciples and Equipping Them to Reach Others

“So we continue to preach Christ to each person... to bring each one into God’s presence as a mature person in Christ.” —Colossians 1:28, NCV

JesusOnline Ministries is focused on making disciples who will live for Christ and then proclaim Him to others. That’s the New Testament way to win the world for Christ (2 Timothy 2:2).

Our discipleship team replies to emails from website visitors with personal responses, links to resources in our JO Discipleship App, and a free discipleship e-book, “The Adventure of Living with Jesus.”

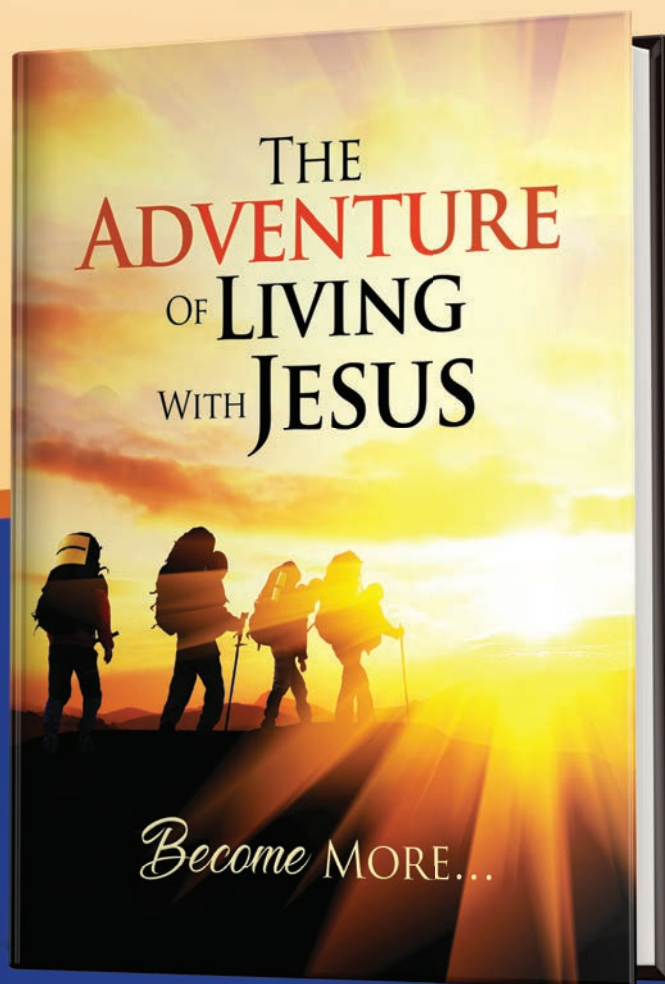

Pastors and missionaries have expressed how this helpful tool has benefited them in reaching their countries for Christ. Pastor Assah from Togo, West Africa wrote the following.

“The discipleship booklet has transformed my life and helped me live for Christ and trust His Word.

As a pastor, I wasn't really fulfilling the great commission. I was just “shouting” the word of God instead of making disciples. Not only did I need to learn how to make a disciple, but I also needed to be made a disciple myself. You can't give what you don't have.

Each day I read this booklet and teach it to other people who are touched and amazed by what they learn. This resource has totally changed my ministry and helped me make disciples !

Pastor Assah from Togo, West Africa

The JO Discipleship App

Fehed, Zambia

“Before visiting your app my faith was surface only. But I wanted and needed so much more. Completing these daily prayers and readings on your app has increased my faith, hope and peace. Thank you.”

Cecile, Greece

“What a precious app. I started using it a few months ago because I needed help in understanding why stuff happens in a biblical way. I’m impressed. There are quite a few books to choose from and the one I am working on has helped me a lot so far. The best is you can relate & apply the advice. Can’t wait to work through all the books and better my relationship with Jesus Christ!”

JOM History

Dr. Bill Bright, founder of Campus Crusade for Christ (now CRU), had a passion to share the truth and grace of Jesus Christ worldwide. In 2003, he helped found what is now JesusOnline Ministries to carry out the vision of reaching the world for Christ.

What began as apologetic/evangelistic magazines became Internet websites in 2005. Since that time over 280 million visits from 190 countries have helped people discover Jesus Christ.

Many of those who have been reached are now sharing the gospel of Jesus in their own nations and villages.

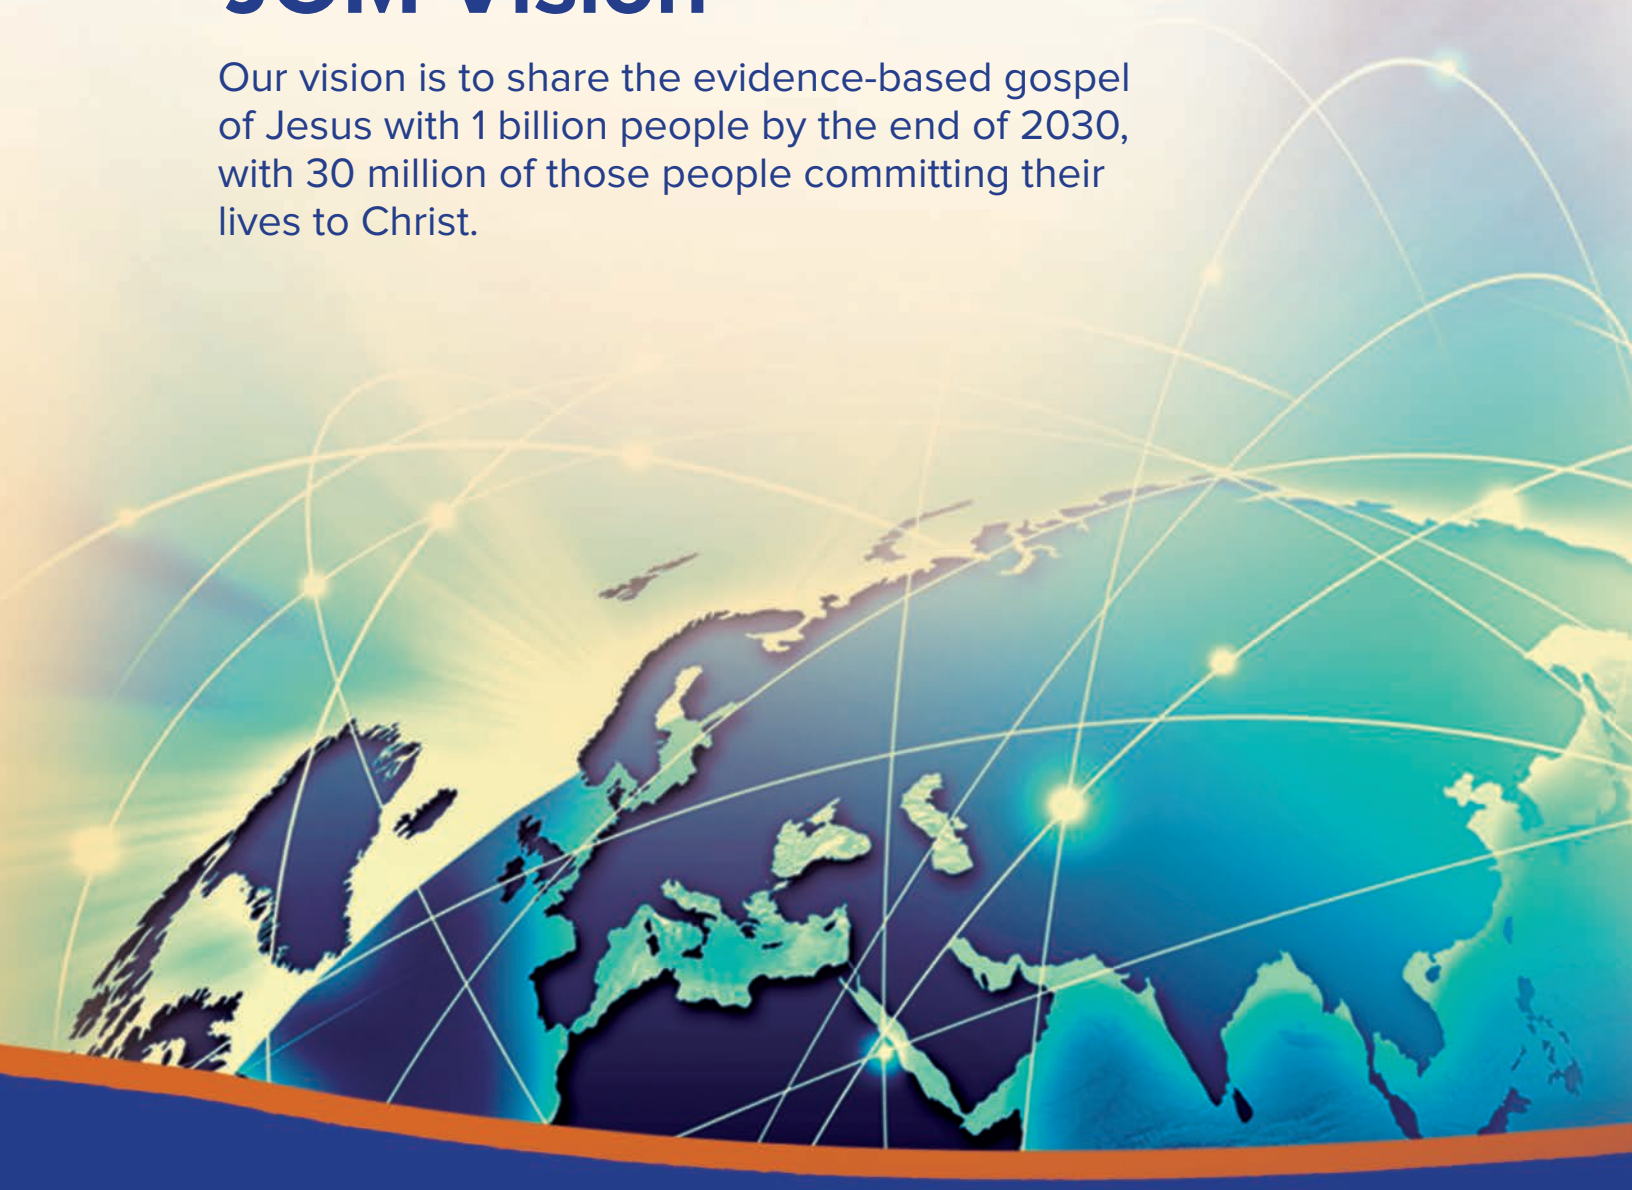

JOM Track Record

In recent years, JesusOnline's outreach has surged from 85,421 decisions to follow Christ in 2019 to 2,418,015 in 2023.

JOM Vision

Our vision is to share the evidence-based gospel of Jesus with 1 billion people by the end of 2030, with 30 million of those people committing their lives to Christ.

For every **ONE DOLLAR** invested in outreach, **ONE PERSON** will, by God's grace, indicate they have decided to follow Christ.

Together we are making a greater difference for Christ's Kingdom.

Come help us reach 1 billion people for Christ by 2030.
