Jesus with 30 people
and see
ONE PERSON decide
to follow Him.

MISSION STATEMENT

JesusOnline Ministries uses internet technologies to help people around the world discover who Jesus really is, receive Him as Lord and Savior, follow Him through personal online discipleship, and share Him with others.

As a result, people are:

- **DISCOVERING** who Jesus is,
- **RECEIVING** Him as Lord and Savior,
- **FOLLOWING** Him more wholeheartedly
- **SHARING** Him with others.

THE NEED

Every day, millions of people who are curious about Jesus are on the Internet from all over the world.

They have questions and misunderstandings about who Jesus really is. As a result, they live without the hope, love and life that He offers.

OUR OUTREACH STRATEGY

JesusOnline reaches people for Christ on every continent through their smartphones or personal computers.

Step 1. We advertise questions people are asking about Jesus.

Step 2. People click the ads that link to compelling gospel articles and videos.

Step 3. They discover answers revealing Jesus' true identity and the life He offers.

Step 4. We follow up with those who respond and encourage them to join our app community where our Discipleship Pastor and his team of volunteers help members cultivate their relationship with Jesus.

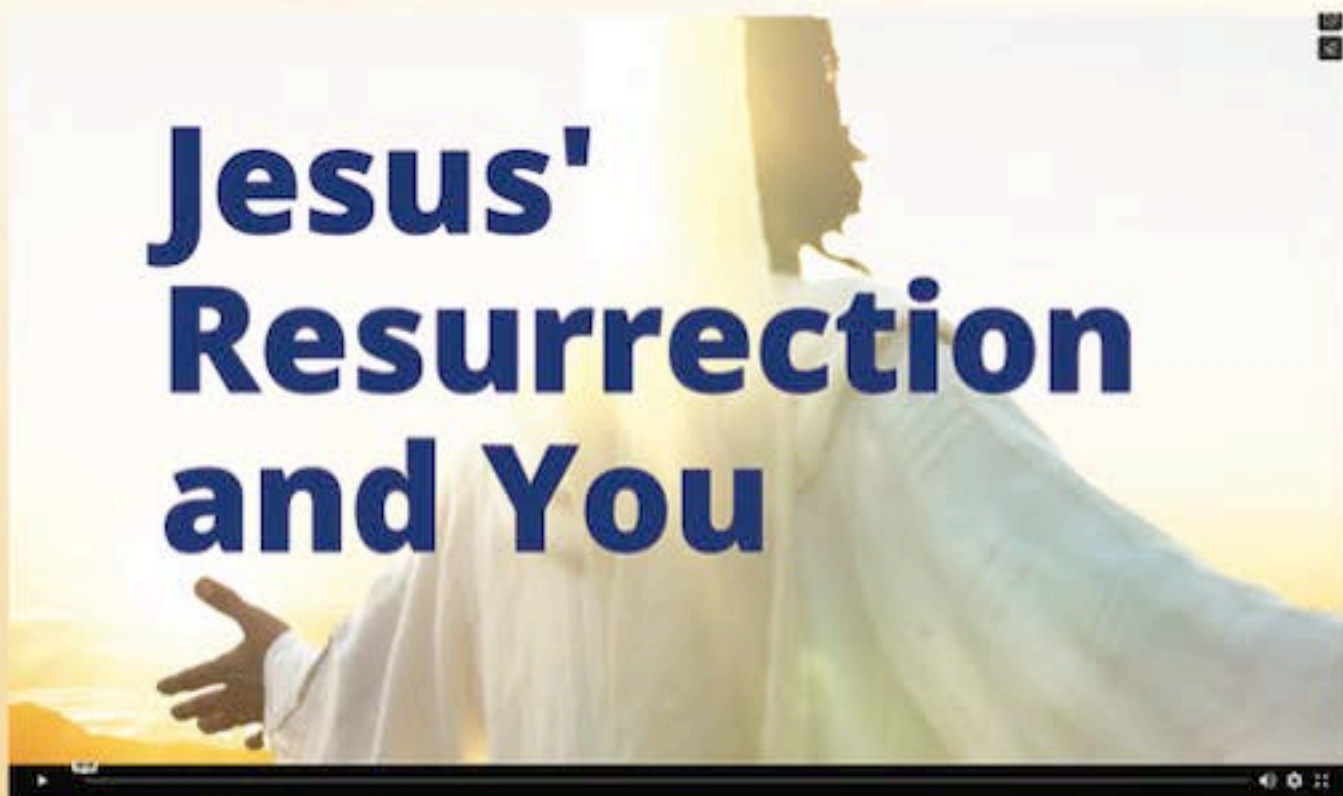

OUR IMPACT

Every day, in 2022, more than 100,000 people encountered Jesus in more than 190 countries around the world.

Amazingly, people are even being reached in the hardest and most remote nations with the privacy they desire on their mobile devices.

Our Best Performing Video

This 9-minute video, "Jesus' Resurrection and You," results in about **4,000 people** each day indicating a first-time decision to follow Christ or a rededication of their life to Him.
